DRIVER OF THE DAY

This very special and very beautiful trophy been kindly donated by Chris Armstrong's family. It will be awarded annually to the 'Driver of the Day' in Pre 89/95 at each O-Plate. Chris, who was affectionately known as Flash through his colourful and vibrant race suit design, was so looking forward to this years Open having never competed in it before.

May his Spark and his Spirit ride with you all.

Our thanks and love go to the Armstrong Family

THE MAIN F100 CHAMPIONSHIPS TAKE A BREAK THIS MONTH FOR THE LONG AWAITED F100 OPEN CHAMPIONSHIP. IT'S AMAZING THAT IT'S NOW BEEN 2 YEARS SINCE F100 LAST CAME TO PFI, A LONG TIME IN THE MAKING SO ENJOY!

The 2019 Open Championship winners have had the luxury of running the much coveted O-plates for all this time, we'll probably need a crow bar to wrench it from them.

There's been the usual light hearted banter and bragging on the social media groups about who's favourite and who's going to win this weekend, which is great to see, just remember all that stops when the 'Flag Drops' - There is only one winner.

Many of you will be happy to see the format of 'Shotgun Qualifying' back for event which is a bit different from the normal 3x heats & final.

It's still amazing to see the amount of interest for this yearly event, Pre 2000 sold out within an hour of entries opening with the unlucky drivers then added to a waiting list. Who will take the honours this year, well... you'll just have to wait and see!!

It's great to see a resurgence for the Pre95 Class with a few drivers coming out of retirement to have a peddle round.

Thank you so much for supporting the event, its great to have you back.

Pre89 should be great fun to watch, can Holly Crankshaw, overcome a recent injury to win & can Simon Nicholson overcome the might of 'Girl Power' to take victory.

The Aqua FX classes have really excelled themselves, the rallying drum was well and truly banged before the entries opened, and what a fantastic effort, a great grid of some class drivers should really see some great racing. And with 3 newcomers jumping in at the Deep End to start in the class at PFI it should be an exciting race to watch.

Good Luck and safe racing to everyone

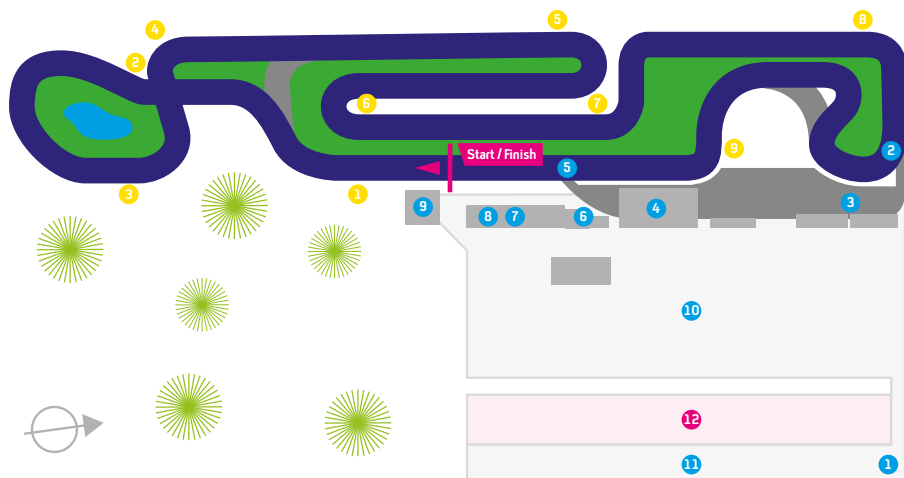

Tim, Jay, Chris

FOREWORD

PF INTERNATIONAL CIRCUIT

First opened in 1994, this track is the brain-child of Mr Paul Fletcher (a man who has been involved in karting since the 50s). His creation, the UK's largest outdoor, and only International Grade A kart circuit. The long straights, mixed with sweeping and tight bends, and its unique up-and-over configuration will offer up a challenge for every competitor.

FUEL SPECIFICATION

Fuel must comply with the FIA unleaded fuels legislations - FIA Appendix J / Article 252. All unleaded roadside retail pump fuels normally comply with Article 252

Please use any unleaded roadside retail pump fuel. Fuel tests will be carried out for fuel doping at the circuit and we reserved the right to seal fuel samples for additional testing off site.

We strongly recommend that you use Esso Supreme Unleaded from any South of England retail fuel station as this product is

most likely to contain the least amount of Ethanol according to Esso UK's website.

Fuel Washing to remove Ethanol is acceptable but should only be performed if you are extremely risk averse in the process and ensure proper control measures are deployed to avoid the risk of fire.

If in doubt, ask F100.
