

F100 KART CLUB PRESENTS
BRITAIN'S FINEST
TKM

BUCKMORE PARK KART CIRCUIT
OCTOBER 22/23/24

WELCOME ALL TO THE F100 KART CLUB AT BUCKMORE PARK FOR THE TKM BRITAINS FINEST EVENT.

Some of you may have seen us at other circuits with our Spirit Of The Nineties British Tour Series, in which we run several classes from the late 80's to late 90's Homologation periods including in conjunction with Talko, a Classic TKM grid.

We were recently asked by the circuit owners the Surtees/Martell family to re introduce Owner/Driver Karting to Buckmore Park, so the F100 Kart Club was formed to facilitate the running of monthly Motorsport UK race meetings for current karting classes.

You'll find this weekends program should give you a huge amount of track time over what you would normally expect at other circuits, partly because of the current tyre shortage preventing other guest classes coming which will be especially good for those of you that have never driven this legendary circuit before.

You'll be joined this weekend by a grid of Honda Cadets, these guys love Buckmore & every time we hold an event here, their grid pretty much sells out. Again, Honda numbers are however a low as there is also a shortage of the Dunlop tyres they run on.

Talko saw the problem coming and were able to ring fence stock to assure you all had tyres if you needed them.

You'll see we do things a little differently to other Kart Clubs, the first thing being that we practice under Permit, this is a new concept we've been working on with Motorsport UK. It assures that you have the best level of medical and insurance cover available.

The other differences are your race weekend info is readily available through your Alpha Login & Virtual Event Noticeboard. Hopefully you'll soon be up to speed and find it a great experience.

Your F100 team will be on hand all weekend to make sure you have the best experience possible.

We hope you all have an enjoyable, safe and successful weekends racing with us.

Yours in Sport

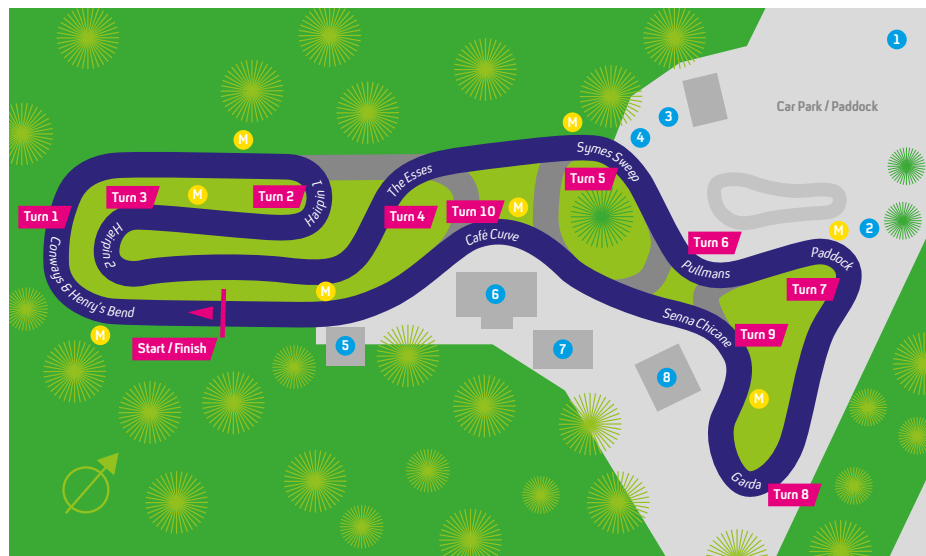

Chris Derrick, Jay Fairbrass

Your F100 Team

FUEL SPECIFICATION

Fuel must comply with the FIA unleaded fuels legislations - FIA Appendix J / Article 252. All unleaded roadside retail pump fuels normally comply with Article 252

Please use any unleaded roadside retail pump fuel. Fuel tests will be carried out for fuel doping at the circuit and we reserved the right to seal fuel samples for additional testing off site.

We strongly recommend that you use Esso Supreme Unleaded from any South of England retail fuel station as this product is

most likely to contain the least amount of Ethanol according to Esso UK's website.

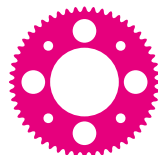

Fuel Washing to remove Ethanol is acceptable but should only be performed if you are extremely risk averse in the process and ensure proper control measures are deployed to avoid the risk of fire.

If in doubt, ask F100.
